

## What is a **vendor management solutions**?

Electronic transfer of invoice, order guide, and purchase order data to and from your food, beverage, supply, and even expense vendors. The Compeat Vendor Management Solutions team handles your interface setup from start to finish requiring minimal customer-to-vendor communication. This is the solution to get your managers out of the office and into the restaurant.

- Drastic reduction in labor cost
- Dynamic theoretical maintenance
- Automatic PO-to-invoice reconciliation
- Vendor accountability

**\$10,000**  
in savings per entity
